Karshi, Kashkadarya

Summary

I recently completed a front end course. I like working with more complex algorithms. I get along well with the team.

My goal is to increase my experience by participating in real projects. I am currently studying at the University.

I want to work by transferring my university studies to part-time education.

Experience

Manager's Assistant

Yemak.uz • Karshi, Kashkadarya
01/2022 - Present

I work as a manager at yemak.uz to study the relationship with the team. At Meal, my job is to manage changes on the site, i.e. add new products and control prices

Skills

HTML 5, CSS3, SCSS (Sassy Cascading Style Sheets), Sass (Syntactically Awesome Style Sheets), Bootstrap, JavaScript, ReactJS, Webpack, Figma, Firebase, Git/GitHub

Education

Mathematics and computer science

Karshi State University • Karshi, Kashkadarya
06/2024

Front end development

Open Web Academy • Karshi, Kashkadarya
05/2022
